

Beth Israel Deaconess
Medical Center

A teaching hospital of
Harvard Medical School

Faculty Position
Division of Acute Care Surgery
BETH ISRAEL DEACONESS MEDICAL CENTER
Boston, Massachusetts

The Department of Surgery at Beth Israel Deaconess Medical Center, a teaching hospital of Harvard Medical School, is recruiting a board certified/board eligible surgeon for a full-time faculty position in the Division of Acute Care Surgery. The candidate should have completed training in General Surgery and a Critical Care Fellowship. Academic appointment at Harvard Medical School, at the rank of Instructor, Assistant Professor, or Associate Professor, will be commensurate with experience, training and achievement in the field. The candidate is expected to integrate into a busy practice of Acute Care Surgery, Trauma and Critical Care with commensurate training opportunities for residents and medical students. A track record of academic productivity is required, as the candidate will be expected to be involved in the research and academic mission of the division. Beth Israel Deaconess Medical Center, a 672-bed hospital and Level 1 Trauma Center, is renowned for excellence in patient care, biomedical research, teaching and community service. Located in the heart of Boston's Longwood Medical and Academic Area, it hosts more than three quarters of a million patient visits annually in and around Boston. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law. Women and underrepresented minorities are particularly encouraged to apply. Apply at <http://www.hmfphysicians.org/careers/> to requisition 161332.
