## *Memorial Health - University Medical Center*

Location: Hollywood, Florida

Posted Date: 11/2022

Expires: 02/2023

Job Description:

Memorial Healthcare System is seeking a BE/BC trauma/acute care surgeon, dedicated to night shifts, to join the multi-specialty Memorial Physician Group. The ideal candidate must be BE/BC in General Surgery and Surgical Critical Care, and fellowship trained in Trauma & Surgical Critical Care at an ACGME-accredited program. The successful candidate will demonstrate excellent skills in emergency general surgery, surgical critical care, and traumatology and will assist in the implementation of the standards of trauma care following the guidelines and protocols put forth by the American College of Surgeons. Active participation in clinical research is expected, as well as participation in surgical education in Memorial's ACGME-approved General Surgery residency program.

This is a full-time employed position within the multi-specialty Memorial Physician Group. The position offers a competitive benefits and compensation package that is commensurate with training and experience. Professional malpractice and medical liability are covered under sovereign immunity.

**About Memorial Healthcare System**

Memorial Healthcare System is one of the largest public healthcare systems in the United States. A national leader in quality care and patient satisfaction, Memorial has ranked 11 times since 2008 on nationally recognized lists of great places to work – in *Modern Healthcare* magazine, *Florida Trend* magazine and *Becker's Hospital Review*, just to name a few.

Memorial's facilities include its flagship, Memorial Regional Hospital, one of the largest in Florida; Memorial Regional Hospital South; Joe DiMaggio Children's Hospital, the only freestanding children's hospital in Broward and Palm Beach counties; Memorial Hospital West; Memorial Hospital Miramar; Memorial Hospital Pembroke; and Memorial Manor, a *US News* five-star-rated nursing home.

Memorial Regional Hospital and Joe DiMaggio Children's Hospital are Level I state and ACS verified trauma centers. Annual trauma volume of 3600+ injured patients.

Memorial's work environment has been rated by employees and physicians alike as an open-door, inclusive culture that is committed to safety, transparency and, above all, outstanding service to patients and families.
