

Northwell Health is seeking a fulltime academic **Acute Care Surgeon** BE/BC in **Surgical Critical Care/Trauma Surgery** to join the faculty at our **Southside Hospital** campus (in Bayshore, NY). This is an excellent opportunity to work as a Clinician Educator in a high acuity environment with a very supportive and experienced team.

The qualified candidate will join a team of five other attendings in Southside Hospital Division of Acute Care Surgery. Surgeons will rotate through the Surgical ICU and Acute Care Surgery services. Southside Hospital is a Level II Trauma Center, and admits approximately 800 trauma and surgical patients annually. The Division also manages a 10-bed Surgical Intensive Care Unit. Lastly, the Division is actively involved in research at the basic science, translational, and clinical level.

Southside Hospital is a 341-bed hospital with physicians, nurses and staff who provide health care services in all medical specialties. Our centers of excellence include Cardiology, Orthopedics, Neuroscience and Women's Health.

Northwell Health is New York State's largest health care provider and private employer, with 23 hospitals, more than 600 outpatient facilities and nearly 15,000 affiliated physicians. **North Shore University Hospital** is one of the cornerstones of Northwell Health, providing the full spectrum of clinical health care services for patients of all ages. We offer a wide range of specialty and subspecialty residency programs, postgraduate training programs and clinical fellowships for research and education. NSUH is located on Long Island, approximately 14 miles from midtown Manhattan. This area offers access to world-class cultural and educational opportunities.

The right candidate will have a strong commitment to medical student and resident education. Interest in translational and/or clinical research is also desirable. We are an equal opportunity employer; rank at the Zucker School of Medicine at Hofstra/Northwell will be commensurate with qualifications.
